

LUIGI BODINI and ANTONELLA BENEDETTI

Winners or Grand Finalist in all the most important competitions in the world. This is the summary of who Luigi Bodini and Antonella Benedetti are, senior 1 international class who has won everything in Italy and so much in the world. I believe that there is no better presentation than that given to us by the newspapers, from the cover of the "Dance Dance" to the comments in the articles of the "Dance News".

The 'DANCE NEWS' commenting on one of the most important competitions in the world, the "International" which takes place in England, says: "they are champions from the moment they enter the floor, they demonstrate natural talent, safety and superb musicality in every dance".

The following year, talking about the biggest competition in the world, the "Blackpool Dance Festival" (England) says: "Antonella and Luigi are postural perfect, especially Luigi whose verticality produces wonderful shapes both in motion and in standing lines. Everything they danced was clear in the fundamental applications, as Antonella demonstrated with her beautiful heel turns. Harry Smith Hampshire wrote: "technique alone cannot win a championship," in any case you cannot win without it and Antonella and Luigi must surely be the future champions".

Several times European and Italian Champion, Luigi Bodini and Antonella Benedetti were also for four years finalists in World Championship, Blackpool, International and in all the most important competitions in the world.
